

## 2sms Voice Cloud

**Imagine:** Simply replace your existing phone system with a cloud based alternative, payable on a per-user subscription basis.

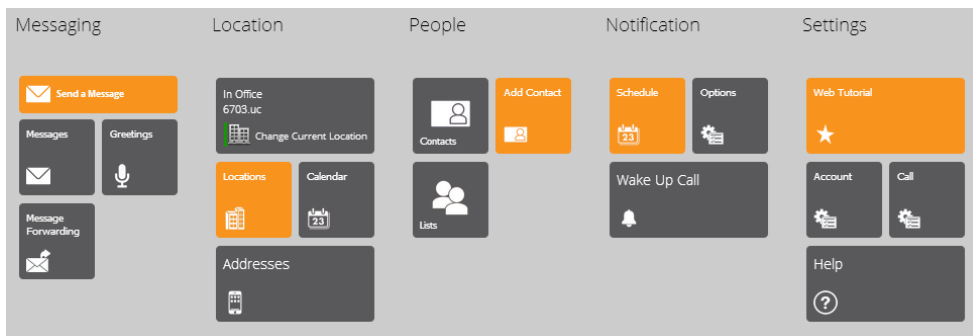

### Welcome to 2SMS Voice Cloud:

All the tools you need to communicate from one dashboard, no matter where you are or what device you are using.

**Imagine:** free inter-office calls, dramatically reduced external call rates and no line rental, giving you more productive mobile employees, all for just **£10 per user per month.**

Within **2 weeks** you could halve your telephone costs.

All your employees can have a multi-functional communication dashboard, dramatically improving their productivity.

***We did it at 2sms, we loved it, we saved money  
and now we sell it!***
